---

Sir

With reference to your letter No I 4757/M1 3-42-10 dated 12-11-42 requesting me to furnish certain particulars on the above subject I have the honour to state as follows -

It is reported that dearness allowance is being given to the peons of the toll gate establishment at the same rate as is allowed to Government employees but that these peons are literate and attending to clerical work also and that therefore their pay is proposed to be enhanced I also agree with the President The pay of Rs 8/- each per month is too low even in normal times and that the increase of their pay to Rs 10/- is not much

The extent of garden and parks is larger than what it was before A rough sketch received from the President showing the extent of the garden and park is herein enclosed for favour of reference It is not possible for one mali to lookafter the garden and park as well

In regard to record sorting work it is reported that 44 dafters have been sorted and stitched They have to be indexed and registered 7 dafters have been sorted out for destruction They have to be registered and destroyed Still a large number of papers are remaining yet to be sorted and registered It is reported that another period of six months is necessary to attend to all urgent work and that Government sanction may be kindly obtained for the continuance during 42-43 of the temporary establishments
